

**Play value**

The gentle nature of these play and art figures with their calm expressions create an atmosphere of peace that promotes friendly interaction. The sculptures – each is a unique specimen – are made of mountain larch. They invite children to stroke, touch and feel them, but they can also be sat upon or incorporated into role-playing games. Play figures such as these are something very special – they strengthen the identity of a playground.

Order No. 4.51100 Polar Bear Family

Order No. 4.51100 Polar Bear Family
